THE ME I WANT TO BE	BY JOHN ORTBERG	TONY PULLEY	S1
<p><i>The Me I Want to Be</i> curriculum is a powerful study in becoming the unique, fully alive, flourishing person God intended. Pastor and author John Ortberg teaches through five sessions about how you can move toward becoming God's best version of you in four specific areas: your mind, your time, your relationships, and your experiences.</p>			
THE QUEST	BY BETH MOORE	DAWN HOBSON	S2
<p>Find greater intimacy with God as you ask and discuss deeper questions of faith, seeing them as inherent and essential to growth. The Quest is a cross between a curriculum and a journal, between a classroom and a prayer closet, with three primary objectives:</p> <ul style="list-style-type: none"> • To promote deeper intimacy with God. • To help foster a sojourner mentality to aid as comfort that we are only passing through this world on our way somewhere else. This is not our home. • To foster an adventurer-mentality as royal subjects of royal blood unrecognized by the world but headed to an unshakable kingdom worth the arduous trip (Acts 14:22). 			
LIFE CHANGING PRAYER	BY JIM CYMBALA	HAMPTON HANCOCK	T1
<p>Jim Cymbala, pastor of Brooklyn Tabernacle, unlocks the truths he has learned about prayer that transformed his church from a struggling inner-city congregation to a thriving community of believers who pray with passion, focus, and faith. He reveals how prayer can likewise transform your life and your church when you "approach God's throne of grace with confidence" (Hebrews 14:1), certain in the knowledge that will meet with you, answer your requests, and extend his mercy to you. It is at the throne of grace that you will also receive power to confront your problems without anxiety, and where the Holy Spirit will gradually shape you into a person who impacts others for Christ. Prayer is the force that binds believers together, and when God's people unite and call on his name, powerful things happen in our world.</p>

GOD'S AT WAR	BY KYLE IDLEMAN	RICK BREWER	W1
<p>Kyle Idleman's riveting new study, <i>gods at war</i> properly notes that Christians and the church correctly emphasize the need to identify and eradicate sin. But what if we're actually missing the point? What if all sin has a common root? Is there a core issue that we failing to address?</p> <p>In this new series, Kyle Idleman challenges our presumptions about sin by suggesting that all sin derives from the same source—idolatry. While we don't see many "graven images" around today, Kyle argues that there are still countless gods passionately at war for the throne of our hearts. If we put the wrong god on the throne, our lives will be thrown into chaos, and all of the effort we put into fighting sin and overcoming it will be futile.</p>			
SHE'S STILL THERE	BY CHRYSTAL EVANS HURST	BOBBI GAYLOURD	W2
<p>Poor decisions, a lack of intentionality or planning, or a long-term denial of deep hopes and dreams can leave a woman, old or young, reeling from the realization that she is lost, disappointed, or simply numb.</p> <p>What's a woman to do, if her life is not taking shape the way that she thought that it would despite all of the knowledge available and possibly even consumed? What happens when she looks at herself in the mirror, lingering just a little longer than usual and realizes that she no longer recognizes the person staring back at her? What does she do when she sees that, somehow, her life has drifted away from her hopes, dreams, or plans? How does she find the part of herself that she's lost and realign her daily actions to the system of belief to which she subscribes?</p> <p>It's one thing to "know" you were created and designed for a purpose and have the power to reach the potential that lies within. It's another thing to "do" what you were created to do.</p>			
THE BIBLE JESUS READ	BY PHILIP YANCEY	ADAM VANTREESE	TH1
<p>Does the Old Testament read like a murky mystery to you? Let this illuminating video exploration help you understand those sometimes shocking and cryptic writings---and get to know God better! Wielding scholarship, insight, and in-depth interviews, Philip Yancey leads eight small-group sessions that explore five crucial segments of the Old Testament: Job, Deuteronomy, Psalms, Ecclesiastes, and the prophets.</p>
